Data Collected

Among the Personal Data collected by this Website, either independently or through third parties, are: Tracking Tools; Usage Data; email; first name; last name; telephone number; company name; province; postal code.

Full details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy.

Personal Data may be freely provided by the User or, in the case of User Data, automatically collected during the use of this Web Site.

Unless otherwise specified, all Data requested by this Web Site are mandatory. If the User refuses to provide it, it may be impossible for this Web Site to provide the Service. In cases where this Web Site indicates certain Data as optional, Users are free to refrain from communicating such Data, without any consequences on the availability of the Service or its operation.

Users in doubt as to which Data are mandatory are encouraged to contact the Data Controller.

Any use of Cookies - or of other tracking tools - by this Website or by the owners of third party services used by this Website is for the purpose of providing the Service requested by the User, in addition to the further purposes described in this document and in the Cookie Policy.

The User assumes responsibility for the Personal Data of third parties obtained, published or shared through this Web Site.

Method and place of processing of collected Data

Processing Method

The Data Controller takes appropriate security measures to prevent unauthorised access, disclosure, modification or destruction of Personal Data.

The processing is carried out using computer and/or telematic instruments, with organisational methods and logics strictly related to the purposes indicated. In addition to the Data Controller, in some cases, other subjects involved in the organisation of this Web Site (administrative, sales, marketing, legal, system administrators) or external subjects (such as third party technical service providers, postal couriers, hosting providers, IT companies, communication agencies) also appointed, if necessary, Data Processors by the Data Controller, may have access to the Data. The updated list of Data Processors can always be requested from the Data Controller.

Place

The Data are processed at the Controller's premises and at any other place where the parties involved in the processing are located. For further information, please contact the Data Controller. The User's Personal Data may be transferred to a country other than the country in which the User is located.
